Nics (Speaker): Good day everyone, before we start, I would like to acknowledge the presence of our dearest panelist, to our ICT instructors, and especially to our capstone adviser who's watching this video presentation. Once again, good day.

I am Nicole Haylynn Mancao, and we will be presenting our title proposal entitled Document Tracking System with Sent Messages Notification together with Ms. Sitty Nor-Shaina Daud, Ms. Zarah Mae Bagundang and Mr. Nurullajie Abdullah.

To continue with our proposal, Ms. Shaina Daud will present the introductory part of our title. Whereas, I will be the one to present the Statement of the Problem as well as the Objective of our Study, to be followed by Ms. Zarah Bagundang, she will present the Limitation of our Study. For the last part of this presentation which is the Significance of the Study, this will present by Mr. Nurullajie Abdullah.

Now, let us give the floor to Ms. Shaina to explain the Introduction.

Shai (1st presentor): Thank you, Ms. Nicole. Now, I will present the introductory part of our title proposal… (explain)

(After explanation)… Let us hear the presentation of Ms. Nicole Mancao.

Nics (2nd presentor): Thank you very much, Ms Shaina… (explain)

Let us proceed to the next presentor, Ms. Zarah Mae Bagundang for discussing the Limitation of our system.

Zarah (3rd presentor): Thank you, Ms. Nicole. Now, let me present the limitation of our system… (explain)

(After explanation)… That's the end of my discussion, now, let us hear the presentation of Mr. Nurullajie Abdullah to present to us the Significance of the study of our system.

Ajie (4th presentor): Thank you, Ms. Zarah Mae Bagundang… (explain)
